"HISTORY: WHAT IS IT GOOD FOR?"

History Week 2020 asks "what is history good for" and here at the Museum of Fire we know it is good for everything! Without understanding the past, we can't move into the future, so we welcome everyone to come and participate in 2020's History Week at the Museum of Fire! We have lots on offer!

The Museum of Fire is open daily 9:30am - 4:30pm

Visit www.museumoffire.net for more information and to book your place!
