### Information for Home School Groups

Home School Groups may comprise one of the two categories:

- a) Education Group (an educator will present an education program linked to the national curriculum – see school excursions information for more on this).
- b) Other Group (an educator will present a generic program that focuses on what firefighters do etc. This program is aimed at a wide spectrum of ages)

Guidelines for each category (to enable the correct style of program for your groups visits and to ensure correct payment is made):

- a. Education Group:

  - II. Only children attending the program will be able to enter the presentation theatre
  - III. The staffing ratio is the same as school groups 1:10
  - IV. **Pricing:** \$12.50 per child (including fire engine ride)
    - a. Adults \$10 each
    - b. Children under school age, not taking part in presentation \$7 each (fire engine rides additional cost)
    - c. Children under 3 are FREE (fire engine ride additional cost)
